

Dear Prospective Sponsor,

The Central Coast Safe and Skilled Sisters for Education (also known as SASSE) is a training program through the California Rifle and Pistol Association. We hold our annual event in October, at the beautiful Lazy Arrow Adventures on Camatta Ranch just east of Santa Margarita, California.

The main purpose of SASSE is to familiarize women with various outdoor activities. This event is an educational experience for women only. Over the past years, hundreds of women have participated in the event. Our event has grown every year. We expect even more participants this year. Participants take three classes during the weekend. Examples of classes offered are:

| | | |
|------------------------------|----------------------------|--------------------------------|
| Various Firearm Trainings | Archery | Floral Arrangements |
| Dutch Oven Cooking | First Aid | Knife and Tomahawk Throwing |
| Leather Working | Non-Lethal Self Defense | Orienteering |

We would like the opportunity to celebrate your business by asking for your support for this wonderful event. We would be grateful for cash or product donation from your business. We are a non-profit Section 501(c)(3), so your donation is fully tax deductible. Our U.S. Tax ID number is ID: 73-1719822.

Thank you for considering our request for donation.

Sincerely,
